

# Forensic Accountant a.k.a. Detective

We're on the case, following the clues  
and finding your answers.

Overwhelmed by the number of bankruptcies? Not happy with the response time from your current expert? Looking for qualified forensic accountants who can investigate and analyze complex accounting transactions? Or, are you just not satisfied? If you've answered yes to any of these questions, help is here.

Morison Cogen LLP, has been working with the legal community for over 40 years providing forensic accounting and litigation support in securities, bankruptcy and other fraud matters. Our team can be an exceptional resource for you to rely on during all phases of the litigation process. We offer you our most experienced staff, timely service and a fee you can live with.

When you have a case that requires expert detective work, give us a call. You'll be glad you did.
